## Virtual Regional Training Course on NST specialized Programme in the Field of Radiation Protection

### Self Introduction

**JORDAN**

- The Hashemite Kingdom of Jordan It is an Arab Muslim country, located in the north of the Arabian Peninsula and in Western Asia. It is bordered by Syria to the north, Iraq to the east, Saudi Arabia to the south and southeast, and Palestine (the West Bank) to the west. It is called Jordan in relation to the Jordan River, which runs on its western borders, and the capital is Amman.
- Tourism in Jordan The tourism sector in Jordan is one of the most important stimulating and refreshing sectors for the national economy, as its contribution to the GDP is about 14%. Some of the most important tourist attractions in Jordan are Petra, the Dead Sea and the Baptism.
- Mansaf
- Traditionally served in a large platter meant for communal eating, mansaf is a dish of tender meat layered with paper-thin flatbread and great piles of aromatic rice. The meal is garnished with toasted nuts, then eaten with more flatbread and bowls of jameed, a tangy yogurt sauce.

## Participants

## Host Team Members

## Certificate and Award

TTWS2021 

### Certificate of participation

Zamhari AZMAN

Ministry of Education Malaysia, MALAYSIA

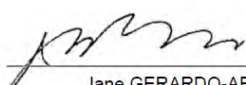

IN RECOGNITION OF THE SUCCESSFUL COMPLETION OF THE VIRTUAL TRAINING IN THE  
IAEA International Workshop  
on Nuclear Science and Technology focused on Radiation Protection  
for Secondary School Teachers

5 August - 1 September 2021

Hosted by  
SCIENCE AND TECHNOLOGY INFORMATION FORUM

STIF 特定非営利活動法人 科学技術情報フォーラム  
Science and Technology Information Forum (NPO)

and technically supported by the  
UNIVERSITY OF TOKYO

  
Jane GERARDO-ABAYA  
Director, Division for Asia and the Pacific  
Department of Technical Cooperation  
International Atomic Energy Agency

  
Takeshi IIMOTO  
Professor, Division for Environment, Health and Safety,  
The University of Tokyo  
Course Director, TTWS2021JPN

TTWS2021 

### Most Proactive Participant Award

*Presented to*

Zamhari AZMAN

Ministry of Education Malaysia, MALAYSIA

This award is in recognition of your proactive participation in the TTWS2021JPN

IAEA International Workshop of  
Virtual Regional Training Course on NST specialized Programme  
in the Field of Radiation Protection

Awarded on September 1st, 2021

Takeshi IIMOTO  
Professor, Division for Environment, Health and Safety, The University of Tokyo  
Director, TTWS2021JPN

TTWS2021 

## Best Presenter Award

*Presented to*

Jay Carl Malonhao AGBAY

Philippine Science High School - Central Mindanao Campus, PHILIPPINES

This award is in recognition of your excellence in presenting on Day 9 of the TTWS2021JPN

IAEA International Workshop of

Virtual Regional Training Course on NST specialized Programme  
in the Field of Radiation Protection

Awarded on September 1st, 2021

Takeshi IIMOTO

Professor, Division for Environment, Health and Safety, The University of Tokyo  
Director, TTWS2021JPN

 東京大学環境安全本部  
EHS Environment, Health and Safety, UTokyo

飯本武志

TTWS2021 

## Master of Radio Exercise Award

*Presented to*

Kanokrat SINGNUI

Princess Chulabhorn Science High School Nakhon Si Thammarat, THAILAND

This award is in recognition of your proactive participation in daily Radio Exercise session during TTWS2021JPN

IAEA International Workshop of

Virtual Regional Training Course on NST specialized Programme  
in the Field of Radiation Protection

Awarded on September 1st, 2021

Takeshi IIMOTO

Professor, Division for Environment, Health and Safety, The University of Tokyo  
Director, TTWS2021JPN

 東京大学環境安全本部  
EHS Environment, Health and Safety, UTokyo

飯本武志

TTWS2021 

## Best Team Award

*Presented to*

Zamhari AZMAN Ministry of Education Malaysia, MALAYSIA

Masoud ALGHAWI Ministry of Education, OMAN

Phatcharida KONGKLAWE Princess Chulabhorn  
Science High School Phetchaburi, THAILAND

This award is in recognition of your excellent teamwork during group session on Day 10 of the TTWS2021JPN

IAEA International Workshop of
